Instructions: Please include this as the cover page of your answers and make sure to sign the pledge. Please see homework guidelines when completing your homework. In particular, all sheets must be stapled together, otherwise your quiz will not be accepted; and please write legibly. The assignment is due Thursday 23rd January.

Name in CAPITALS (First Last): ________________________________

Questions not from textbook:

1) Calculate the median and first quartile for the density curve given above.
Do questions from textbook: 1.78, 1.82, 1.89, 1.90, 1.99, 1.102.

Read Sections 0, 1, 2, 3, in Primer (http://www.stat.unc.edu/teach/rosu/Stat31/Primer.html).
Do the question in red at the end of Section 3 (beginning “On your checks worksheet”), and Exercises 1, 2, 3.

I have neither given nor received any unauthorized help on this exam and I have conducted myself within the guidelines of the University Honor Code.
